# ABOUT ME

**BIRTH:** 05 May 1986  
**PHONE:** +48 793 283322  
**E-MAIL:** olek.agapov@gmail.com  
**ADDRESS:** Wroclaw, Poland

I'm a frontend developer with experience in backend developing and network administration.

Working in IT for 20 years.

I have an experience of planning, coding, testing and maintaining different types of websites, web-applications and servers.

I've created and supported many web sites and applications using PHP, MySQL, CSS, HTML, AJAX, JS, NodeJS. Also have experience in web design.

My advantages are in communicativeness, quick adaptation to different styles of work, fast learning new technologies, adaptation to every type of project and business approach, creativity.
